Hydraulic upender tips paper rolls

Hydraulic upender tips steel coils

A large yellow hydraulic upender is the central focus of the image. It features a tall vertical frame with multiple horizontal rollers. At the base, there is a motorized V-saddle and a conveyor system. The machine is situated in a large industrial facility with a high ceiling and various structural elements visible in the background. The text "WEST BEND" is printed vertically on the side of the frame, and "CAP. 10,000 LBS." is visible on the base. A black text box with white text is overlaid on the right side of the image.

lb capacity used for  
machine assembly

**Standard hydraulic upender**

A large yellow industrial machine, a 5-ton hydraulic upender, is positioned in a warehouse. It features a powered roller conveyor at the front with four large silver rollers. The machine has a tall yellow frame with a central window and blue handles. A small grey motor is mounted on the side. The background shows a warehouse interior with various equipment, including ladders, chains, and storage bins.
